Does minimalism mean you're only allowed to wear black and own 5 things? We'll discuss the myths, the downsides, and the benefits of Minimalism.

How to Declutter & Organize Any Space

Over 15000 students in 130 countries say that this method works. Dive into 5 different spaces to show real life declutter projects and how the clutter is conquered.

What the heck is Bullet Journaling?

After hours of staring at a screen, do you crave your creative side while still getting sh*t done? Hello, Bullet Journal! It's the analog system for the digital age. Advanced also available.

Getting Move Ready: An Organized Approach

Transitioning to the next chapter of your life can often mean dealing with years of stuff. To avoid overwhelm we offer a proven method to navigate this change with confidence.

Helping Someone Declutter: The Do's & Don'ts

After helping 100's of people in their home we have compiled our best tips and common pitfalls to avoid when helping others. No need for frustrating interactions with this incredible toolkit.

KW Professional Organizers

Testimonials

**Katie Cowie-Redekopp,
House of Friendship**

"I was very impressed with the well rounded approach that Samantha and Emilio bring to the work of organizing. Tenants are still remarking on the workshops!"

**Katie DD, W3 Organizer,
University of Waterloo**

"They magically challenge the audience to consider different ways of approaching their space, time and 'stuff', while remaining highly individualized and non-judgy."

**Dale Dyce,
Kitchener Public Library**

"Thank you once again KW Professional Organizers for hosting another great event at the library. You're helping people stay positive and take control of their busy lives. What a great community partner!"

**Maria Simmonds,
City of Waterloo &
reDesigned Finds**

"Very informative. They appear to be passionate about what they do and genuinely care about helping people."
